

JULY 2016

RIDING POINT for AFCC

Howdy! Whew--Summer has arrived! The Heat is ON! Not only has the temperature been hot-- the Lord has moved in a tremendous way that only HE can do! The Camps have been heated up with lots of passion this summer. They are officially over as of this writing. We don't have all the numbers yet, but I can tell you there have been lots of salvations and many rededications in the lives of our youngsters. NOW-- it is our RESPONSIBILITY to disciple them as Jesus commanded us. We will report the numbers when they are tallied up. Be sure & tell your Parent Sponsors that attended the Camps THANK YOU for serving!

Also, Thanks to all the Wranglers for being a HUGE part of the Camps. They spend many hours with your Kids encouraging and discipling them. Thanks to all of the Camp Pastors for making yourselves available to the Kingdom!

The last we talked, there were 2 AFCC events coming up. The Clinic at Burlson County CC was well attended. Harvey Abke & his Bunch showed everyone great hospitality. AFCC put on the very 1st Church Development Clinic at Parker County CC in May. Another well attended event & if YOU MISSED IT-- WELL, YOU missed it! An awesome event with just 5 speakers putting some meat into "Growing Up Your Church." That same event will be held September 9-10 at No Fences CC, Falkville, Alabama. Make your plans to attend NOW! Oh yeah--the Conference videos from May can be viewed on the AFCC YouTube channel. Check em' out!

Don't forget the Youth Summer Jam at Circle J CC in Texarkana July 30 th from 3-6 p.m., sponsored by Circle J CC, Triple Cross CC, Still Waters CC, & AFCC.

John Henry Zabcik & James McRight are your speakers; Alvarado Road Show is providing worship music. Get your Youth there! Questions should be directed to Circle J CC 903-280-0555.

Plans are being finalized for the Annual AFCC Gathering in Texarkana Sept. 30-Oct. 2. Qualifying Ranch Rodeos are still going on, so there is still time to enter.

Each year, the Gathering is better than the previous year & this one is no different, so make your plans to attend NOW!

Pastors, we encourage you to attend your Bunch Meetings! Fellowship with each other; Stand together! The Bunches are an excellent way to get our people together with other Churches. Schedule some Bunch Events; draw your people into Unity. We are living in some tough times and as Pastors--we MUST stand up; be a unifying force.

AFCC is here to help. We want to resource you. If we can help-- give us a shout.

Down the road.
Mike Blumn-2016 AFCC President
