

MAY 2016

# RIDING POINT for AFCC

Time is flying by! I heard an ol' sayin' the other day that said: "If you are riding ahead of the herd, take a look back now and then to make sure it's still there." We are running hard and we want to make sure ya'll are still in the saddle with us.

Since the last update, we have covered many miles of road. The Cowgirls gathered up at Bar None for a Cowgirl Round Up March 7. March 12 found us at Brushy Top CC in Eldorado. There was an AFCC Clinic at Cross Creek CC in Zachary, Louisiana April 2. Thousand Hills CC in Ethridge, Tennessee hosted a Men only Testing of the Bulls event April 16 which was a huge success. Cross Brand Cowboy Church in Tyler, Texas hosted their annual "Horse Gate" event for Pastors, Elders, Lay Pastors and wives April 23. This is always a great event to refresh and restore our warriors who are tired, worn out and hurting. The speakers are always right on point to fill those folks with encouragement.

May is shaping up to be another month of Clinics. Burleson County CC will host a Clinic May 7 in Caldwell, Texas. The BIG event this month is the First Annual AFCC Church Development Clinic hosted by Parker County CC in Aledo, Texas. Be sure and check out the AFCC Website and Facebook page for the video outlining this event. I like how Gary Morgan said it. "In years past, we have spent a lot of time getting our churches to grow out. This is the first conference dedicated to helping our churches grow up." This Team has put together some great ministry tools to help you do just that in your church. This "Tool Box" will help you expand the ministries of your church. We hope to see you there!

Ya'll know what happens in June. The Cow Camps kick off for our cow kids. Hope ya'll are all praying for those kids to hear about Jesus and don't forget to pray for the AFCC Staff, Camp Pastors and Volunteers. These camps would not be possible

without the Volunteers and all those who sponsored the kids to attend. Don't forget to pray for our Wrangler's who will work with the kids this summer.

Be sure and look at the AFCC calendar and Facebook page for the Ranch Rodeo Qualifiers and all the Western Heritage events taking place around the country. Also, Bunch Leaders, we encourage you to continue reaching out to Pastors. Encourage them to get involved in the Bunch and schedule some Bunch events to draw your churches closer together in unity. It's all about unifying the Kingdom through fellowship.

Hey---Thanks for your support for AFCC. We are here to help resource the Churches. Give us a shout if we can help. Be an encourager this month and ask someone how you can pray them today! Be blessed and have a Grace Day!
