

FROM THE TRAIL BOSS

JANUARY 2016

Howdy Trail Hands!

Hard to believe, but 2016 is here. 2015 was a huge success for AFCC and the kingdom of God. Many of you have seen the 2015 Annual Review brochure I have included. We want you to be informed of the Trail we have been on and the Trail that lies ahead for each of us and AFCC. The 2015 Trail covered many miles, but sure proved to be fruitful. Take a look at the Clinics, Churches and States where we have bunked for the night. We hooked up with some new outfits, attended some Gatherings that included Pastor Fellowships & Parades. We traveled as far away as the Miles City Montana Bucking Horse Sale to the WRCA in Amarillo.

The Cowboy Camps in Texas, Oklahoma, and Alabama saw 2,800 teen & pre-teen campers in the summer of 2015. Hundreds of these young folks were drawn by Christ to salvation. Our Cow Kids continue to be disciplined in their home churches.

AFCC was blessed in 2015 and you are the reason we are able to carry the Word of God to so many places. The Word says in Romans 10:15, *“How beautiful are the feet of the messengers who bring the good news.”* We are traveling the Trail to do just that! The Board thanks each and every one of you. Thank you for your continued prayers, support and encouragement. Our mission depends on the large group of Western Heritage volunteers, supporters and churches.

“American Fellowship of Cowboy Churches (AFCC) is organized to resource and develop Cowboy Churches through enhanced training, assessment, coaching, communication and connectedness through the movement of God’s Spirit within the Western Culture.”

Let’s carry on in 2016 what we started in 2015---

- A ccomplishments
- F oundation
- C oncensus
- C hrist

We will break some new ground in 2016. The Brochure has the 2016 Budget for your review. Take a look and let us know if you have any questions. I will give you a little sip of the ol’ canteen on 2 items:

- 1: there is an Elder Camp Feb. 19, 2016 at Bar None CC, Tatum, Tx. All Elders are invited to attend.
- 2: there will be a Church Development Clinic in May. The Team came up with some great ideas for a “Tool Box” for established Churches to get a little deeper into the model. Mark your calendars now & plan to attend.

Let’s gather up in our Bunches and pray for each other as we hit the Trail running. Let’s stay true to our Mission Statement.

Saddle up and we will see you down the Road!

Have a Grace Day!
