# 2017 Annual Gathering AFCC RELEASE FORM

The Texas Legislature has added a chapter to the Civil Practice and Remedies Code to limit liabilities for equine activities, effective September 1, 1995.

Chapter 87 of the code says there is no liability for property damage or damages arising from personal injury or death of a participant in an equine activity, if the damage or injury results from a risk inherent in equine activities. Inherent risks include collisions with other animals, certain surface conditions, and the unpredictability of an animal's reaction to certain stimuli and potential of a participant to act in a negligent manner contributing to an injury.

I hereby understand that the American Fellowship of Cowboy Churches, and all other persons and organizations connected with this Event, Organization, City or Arena are not to be held responsible for any injuries which I or my horse may incur while participating in this Ranch Cutting event on October 6-7<sup>st</sup>, 2017 at the Four States Fair Grounds, Texarkana, AR or as a result thereof. I hereby waive any claims for damages to my person or property.
