December 2019

The American Fellowship of Cowboy Churches' Cowboy Camps are approaching quickly, and for the past ten years we have recruited students to serve in the Wrangler program at our camps. A Wrangler's main purpose is to be a living, walking, talking example of Jesus and the ministry to which He has called all of us. Eligible candidates must have a relationship with Jesus Christ, be able to share their faith with others, and be serious about growing themselves and others closer to God. They must have servants' hearts and be willing to assist in a variety of ways to make Cowboy Camp successful for those that attend.

Candidates 16 years old on or before December 31, 2019 are eligible to serve at the Alabama Preteen camp only as junior wranglers. Candidates 18 to 22 years old on or before December 31, 2019 are eligible to serve as wranglers and must be available to serve at both Alabama Preteen and Teen camps.

Applications must be emailed to alabamawranglers@gmail.com by **January 5, 2020**.

After all applications have been received, the Wrangler Coordinating Team will review and schedule interviews and training for candidates that we feel are ready to serve at camp. Thank you for considering the Wrangler Program.

If you have questions regarding the role of Wranglers at camp, you may email alabamawranglers@gmail.com.
